4th International Conference
on Soft Computing for Problem Solving
(SocProS 2014)

NATIONAL INSTITUTE OF TECHNOLOGY
SILCHAR, ASSAM

Organized by
www.socpros.in

in collaboration with
Liverpool Hope University, UK

Technically sponsored by:
SOFTWARE COMPUTING RESEARCH SOCIETY
www.scrs.in
National Institute of Technology (NIT) Silchar, an institute of national importance under the NIT Act, was established in 1967 as Regional Engineering College (REC) Silchar in Assam.

In the year 2002, it was upgraded to the status of NIT Silchar. It is situated on the banks of river Barak. The campus is spread over an area of 540 acres, set amidst a sprawling landscape of natural beauty. It presents a spectacle of harmony in modern architecture, surrounded by extensive Tea Gardens. The landscape of the campus is beautiful with natural lakes and hillocks. During December Silchar experiences a temperature varies from 15° to 20° C. NIT Silchar is a fully residential campus with 11 boys' and 2 girls' hostels. It has 6 different branches in Engineering. The department of Mathematics, even since inception of the institute, has been striving to provide quality technical education and imbibe a sense of professionalism in its students. It involves in many interdisciplinary activities in R&D.

About SocProS

SocProS is a four-year young series of International Conference under the joint collaboration with Soft Computing Research Society, Liverpool Hope University (UK), IIT Roorkee, South Asian University (New Delhi), IIT Mandi, NIT Silchar (Assam). The 1st SocProS was held at IIF(I), RLC, Roorkee (Dec 20-22, 2011), the 2nd at JKLU, Jalandhar (Dec 28-29, 2012) and the 3rd at the Greater Noida Extension Centre of IIT Roorkee (Dec 26-28, 2013). The 4th one will be organized at NIT Silchar, during Dec 27-29, 2014.

About the Theme

The term ‘soft computing’ represents a collection or set of computational techniques in machine learning, computer science and other engineering disciplines. It investigates, simulates and analyzes very complex issues and phenomena in the real life situation. SocProS aims to:
- Bring the research fraternity together in the field of soft computing.
- Investigate the future prospective directives with employing recent advances.
- Encourage participants/researchers/practitioners to focus on enhancing the problem solving ability in optimization.

Call for papers

Authors are invited to submit their original, unpublished and quality research papers in the areas including but not limited to:

- Algorithms:
  - Artificial Immune System
  - Artificial Neural Networks
  - Genetic Algorithm
  - Genetic Programming
  - Particle Swarm Optimization
  - Harmonic Search
  - Differential Evolution
  - Bacterial Foraging Optimization
  - Firefly Algorithm
  - DrosoPhila Food Search Optimization
  - Memetic Algorithm
  - Neuro Fuzzy Systems
  - Robotics Simulated Annealing
  - Stochastic Diffusion Search
  - Tabu Search

- Applications:
  - Control Systems
  - Data Mining and Clustering
  - Defence Engineering
  - Finance
  - Weather Forecasting
  - Game Theory
  - Grid Computing
  - Image Processing
  - Nano Technology
  - Scheduling
  - Time-tabling
  - Signal processing
  - Supply Chain Management
  - Web Mining
  - Text Mining
  - Wireless Sensor Networking

Conference Proceeding

The conference proceedings will be published online in the AISC Series of Springer.

Awards will be offered in the following items:
- Best Student Paper
- Best Innovative Paper
- Best Doctoral Thesis

Paper Submission

All submissions need to be through online using the link:

Authors of accepted papers will be allowed to resubmit camera-ready papers after incorporating double blind review comments within the stipulated deadline. Authors need to register in the conference and present their papers personally.

Registration Fee

Registration fee given below includes the conference proceedings published by Springer.

Conference bag, Conference Kit, breakfast, lunch, banquet dinner.
- Regular author: ₹9000 / US $ 150
- Full time student author: ₹5000 / US $ 100
- Extra paper charges: ₹4500 / US $ 100
- Extra page charges: ₹200 / US $ 5
- Only attending conf: ₹2000 / US $ 50
- Accompanying person: ₹2000 / US $ 50

Note

- Accommodation: Free to the participants by advance payment on first come first serve basis.
